## 2021 Performances & Spring Concert

Dear Patrons

While the current pandemic has curtailed our regular rehearsals and other activities, the Paradise Coastmen are alive and well and looking forward to resuming normal activities as soon as the CDC and our Governor give us the go-ahead.

**46th annual Spring Concert is scheduled for March 19 & 20, 2021.**

You should know that the chorus members are rehearsing each week, virtually via ZOOM, in preparation for our annual show. Also, we are prepared to honor all existing public and private performance requests, contingent upon CDC guidelines for public gatherings.

Needless to say, Covid-19 has upended both your and our normal routines. We all miss the weekly fellowship and fun of singing together as a group. It has not, however, dampened our enthusiasm. We remain optimistic that *"this too shall pass"* and we can all resume normal activities in the near future.

In the meantime, we continue to cope as best we can, wash our hands, wear our face masks, avoid large crowds, and keep a song in our hearts.

### Recipe For A Cure.

If you want to sing in pandemic  
No need to be academic  
Just study the words and sing like the birds  
And you'll end this bad epidemic

# Calling All Singers

Want to  
hear some  
chords?

Miss  
singing?

**Come sing with us using a tool that lets us sing  
remotely at the same time & hear each other.**

**All singers are welcome, and we mean ALL.**

**No need to read music. We provide  
training tracks and many other tools.**

**Try singing Barbershop harmony; it is great fun.**

**We use a free software tool called JAMULUS.**
